Space

FRAGRANCES UP TO 220 sq.ft.

The HYscent Solo can fragrance a space of up to 220 sq. ft. The installation and placement of the Solo is paramount to achieving maximum coverage.

Lasting Fragrance

SCENT LASTS UP TO 60 DAYS

Because of the DRY refill, the Solo can be used anywhere and in any orientation. Mount the Solo on the wall as a permanent fixture, or use it as a desktop system and move it freely from space to space.

Color & Style

COLOR & STYLE

Designed for today's "gadget conscious" world, the Solo is a welcome addition to any decor. A clear departure from the boxy styling in use today, the Solo stands alone as a tasteful, elegant solution for your fragrancing needs. Solos are available in either WHITE or BLACK or refill cartridges and desktop stands are available in WHITE or BLACK.

Environmentally Friendly

ECO HAPPY

HYscent refills are made from a proprietary blended polymer infused with pure fragrance oils and pure essential oils. The absence of propellants and harmful solvents make HYscent refills the "eco" conscious solution for your fragrancing needs. Your customer will smell only pure fragrance oil and NOT propellants and harmful solvents that diminish the character and efficacy of the fragrance.

Versatile

VERSATILE USE

The HYscent Solo can be used anywhere. It is the most versatile of fragrance devices because of its styling and installation options. Mount the Solo on any wall and secure it against theft using the 4 screws provided or show off the Solo in a more personal setting (reception desk, shelving unit, window ledge) by using the desktop stand (sold separately).
